

Conservation Commission – November 30, 2013

Members present were co-chairs Mr. John Weinstein & Mr. Ned Wilson & Mr. Freddy Friedman.

Meeting was called to order at 10:09AM.

Meeting minutes of October 26<sup>th</sup> were accepted as amended.

The commission approved and signed the certificate of compliance for Rossier's - 222/226 Lake Rd.

New Business:

Commission reviewed and discussed and signed an emergency order for the New Marlborough Highway Department for Rhoades & Bailey. Member Mr. Friedman met with the Highway Superintendent Mr. Charles Loring for a site visit on Rhoades & Bailey and saw that there is an issue with the culvert and needs to be replaced so no damage will happen to the road. Mr. Friedman stated that the project work will only take one day to complete.

The commission reviewed and discussed the issue of stabilizing the bank for the Town Park Commission at the Umpachene Falls Park. The commission did a site visit but was not sure the actual work was going to be happening. After discussion it was decided that the Park's Commission would have to file a NOI. Note that while the commission was in discussion of what needed to be done for the Umpachene Falls - newest member Dr. John Schreiber stopped in to introduce himself to the commission after introduction Dr. Schreiber had to leave.

The commission reviewed the mail:

- a. MACC news letter.
- b. Common Ground news letter.
- c. Project Native – news letter.
- d. MACC – FY 15 dues letter.
- e. FY 15 budget request form.
- f. Notice of special permit & application – David Ralph – Old Hitchcock Rd.
- g. Record notice of intent – Salzmänn – 1509 Hartsville New Marlborough Rd.

No other business was brought before the commission, so voted to adjourn at 11:08 AM.

Next regular meeting is scheduled for December 21, 2013.

Respectfully submitted,

Kathy Chretien  
Secretary
